

Healthy, harmless dogs will be killed by your county government beginning July 6th if we don't tell them to stop.

Call your County Commissioners and let your voice be heard.

-  I do not want my government killing healthy, harmless dogs.
-  I believe the Department of Small Animal Control should help lost and stray animals, not kill them.
-  I am a citizen of Franklin County. I pay taxes. I vote.

Please call today, then pass this on to another caring citizen.
